# IBERIS & GREENWOOD

BY G3NIUS

**Iberis:** Creating living spaces in which combinations of different materials enhance everyday living is now possible thanks to the new marble effect of the 'Iberis' series, capable of enriching any space with elegance. Proposed in combination with our 'Greenwood' series, a wood-effect porcelain stoneware, it creates unique and surprising surfaces.

**Greenwood:** Timeless elegance. This wood-effect porcelain stoneware in two natural shades features a warm, contemporary finish that perfectly expresses the refined harmony of natural materials.
